Just quickly stepping into "the web" to post a couple of events that might be of interest:

Yogakalenderen.no post most events/Yoga-related happenings in Norway; I would especially like to point out two:

1: The YogaFestival at Engsbacka

2: CMIU - Conscious Movement Instruktør Utdannelse: a 8 week intensive education in "The Dancing Yoga" (see <http://www.consciousmovement.org/>)
